

Aspire Therapy & Development Services, a pediatric speech, occupational, and physical therapy clinic is in immediate need of an enthusiastic and collaborative Speech-Language Pathologist to join our team of SLPs. At Aspire, we work as a team, supporting one another in providing the best evidence-based treatment approaches for our clients. We are an organization committed to professionalism, growth, and fun!

We are seeking an experienced **Speech-Language Pathologist** for our facilities to ensure that we continue to provide all patients with high quality, efficient care. We are looking for an experienced SLP who is passionate about helping kids and wants to work with a dynamic multidisciplinary team in our clinics in Dane County, Wisconsin!

- We consider ourselves to be a mentoring and teaching clinic with experienced clinicians who collaborate and share experiences.
- Clinicians have opportunities for supervising graduate students in clinical rotations.
- Competitive salaries
- Flexible hours with no mandatory weekend treatment hours
- Health/Dental/Vision/Life/Disability Insurance
- 401k with matching
- Paid time off & Paid holidays
- Continuing education funds

If you love your professional career and are looking for a great place to plant roots while also creating more flexibility and time for your family, please contact us to set up a comprehensive tour and interview.

We're looking for professional therapists with a collaborative and mentoring attitude!

Growth and leadership opportunities available!
